THE MOUNTAINS ARE CALLING, AND SO IS YOUR VAN

VACATION JUST BECAME MORE MOBILE WITH A 144 SPRINTER

BREAK OUT OF YOUR SHELL

Forget your usual vacation spots, the Model 2 can turn any roadtrip into a full-on adventure. Built for two, this adventure van is equipped with all of the comforts of home, with a full kitchen, swivel seats, a lagun table, small seating area, and more.

HOT WATER AT YOUR FINGERTIPS

Nothing beats the feeling of hot water on the road. Our heating system by Timberline offers both a heating solution for your van, and the ability to wash your dishes and yourself with hot water!

SLEEP BETTER

Get a good nights sleep before your next adventure in the Queen size bed. Raised to 37.5", you can fit your bike underneath, using the L-track embedded in the floor to mount your bike carrier.

RUGGED AND DEPENDABLE

With plenty of electrical outlets for easy charging, a convenient place to stash beneath your couch to stash a porta-potty, a rugged garage for storing bikes and other gear, you can't go wrong in this mobile adventure mobile
